[ ] 50-99% [ ] None

How many years of support guaranteed from department: 4 Years

Are Departmental Awards Available to Master’s Degree Students? [ X ] Yes [ ] No

Special Program Highlights:
The psychology department offers a rich and dynamic intellectual community with outstanding opportunities to study human behavior at many levels of analysis, multiple ages and abilities, and using state-of-the-art methods and procedures. Our eight graduate training programs permit students to pursue both basic and applied research. As an affirmative action/equal opportunity institution, we encourage applications from socially and economically underrepresented groups.

Current Research Interests of Department’s Faculty:
☞ Addictive Behavior and Psychopharmacology
☞ Adolescence
☞ Aggression and Violence
☞ Aging
☞ Attention Processes
☞ Autism Spectrum Disorder
☞ Behavior Genetics
